Dear Mr. Carmel:-

A set of three new photographs of the interior of the Folk Art Museum Trailer and also one exterior ( the one you wished) are on their way to Mr. Luderowski.

For some reason the Museum cannot find the negatives of the Trailer in use, but they had an extra print of the children entering it.

The trailer is just in from an extended trip and the exhibit is to be changed at once, so I was just in time to get this last exhibit ( a different one from the first set up) before it is changed.

The Museum has made a sketch of the floor plan and this together with the new photographs should make it all clear.

I enclose a bill for making the new set of negatives and prints.

I trust that everything reaches you and Mr. Luderowski in plenty of time, and that the new work will be satisfactory.

Very truly yours,
