Mr. J. Edward Davis
General Manager
Indian Arts & Crafts Board,
Washington, D.C.

Dear Mr. Davis:-

Once more I seem to have "goofed" as the modern term goes. The only letter of yours that I had with me in California was yours of June 8th which does not mention a carbon copy. As I was on a high pressure schedule out there I evidently forgot that you had previously requested two copies. Therefore I have made out a new invoice as your letter indicates with a carbon, both signed and enclosed them herewith. My apology once more.

Sincerely yours,

LAURA GILPIN
