Mr. J. Edward Davis,
Washington, D.C.

Dear Mr. Davis:-

As yet the check has not come through for the color prints. I hope that my last duplicate statement was correct in all detail.

I am inclosing a transparency of the whole of the "True & False" Exhibit. This is one of the three I sent to Mr. Long who in turn sent them to the Gallup Cere-monial Asso. They are using the two colser details, similar to the prints I sent you. If you have any use for this one, you are very welcome to it.

Sincerely yours,
