Mr. Bert Dieter, rt Director
Meredith Publishing Co.
Des Moines, Iowa

Dear Mr. Dieter:-

Your purchase order No 25734 stamped "Confirmation only" has been received. I find numerous omissions on this slip, perhaps part of it is my fault, and perhaps some have been rejected.

In as much as this is marked "Confirmation Only", I call attention to the following:-

1. The negative numbers on all the color transparencies were on the small envelopes containing your choice of several exposures under the same number. The list enclosed with the order had the full information but I repeat to avoid error. There was a total of 53 4x5 color transparencies of 21 subjects plus 1 8x10 transparency sent in at Mr. Neff's request.
2. There were 12 Black & White prints, 11 you have listed, the 12th was a duplicate of a color and was for the sitter.

I imagine that your order No. 25734 is for your final selection of all material submitted, and that the above is superfluous, but I send this acknowledgment just to keep all records straight.

Mr. Neff informs me that you would send me a purchase order requiring my signature. I do not believe that this ticket is this order due to the "Confirmation" stamp. If this is to be signed and returned to you, I will do so on hearing from you.

Very truly yours,
