Mr. J.O.Huffman,
425 South Wabash Ave.,
Chicago 5, Ill.

Dear Mr. Huffman:-

A more or less rush order for two photo murals for an exhibit. Enclosed please find two 8x10 negatives and also two proof prints. No. 1 the church at Cundio is to be enlarged to 48" x 60" (or length governed by negative). No 2, the landscape, to be 40"x 50", again length governed by negative yield. These will be used on walls and do not fit into any given space though the order is for the above dimensions.

This exhibit opens on April 6th so that the murals should reach here by the 3rd or 4th. They are to be black and white prints, your best quality, and please mount them on masonite. Ship these direct to

The Museum of International Folk Art
Santa Fe, New Mexi co.

Return the negatives and proof prints to me and bill me for everything. This is going to be an important show of Spanish Colonial Folk material and will be on view all summer. Sorry I couldnt send this earlier but the idea for the murals has only just been approved.

Very truly yours,
