SCOTT, FORESMAN & COMPANY,
433 East Erie St.
Chicago, Ill.

Dear Mr. Kriloff:-

Thank you very much for your
letter of May 14th. The book and sample
work came back a few days later.

I am sorry if I did not fit your specifications
for this job. I am wondering why and if you
have selected a photographer in this region or
are sending someone out. I certainly would
be interested to see the final results. Perhaps
I can after publication.

Hoping that there will be something to do
for some future publication, I am

Sincerely yours,
