Dear Mr. Neff:-

My checks completing my work with you came through yesterday. Thank you very much. I shall, of-course, be most interested to see the final use of the trans-
parencies.

We will look forward to your return to these parts at som future time and in the meantime if there is anything you need from any of the Rocky Mountain area, I shall be happy to take on any assignment or to send you work subject to your approval.

With best wishes,

Sincerely yours,
