Dear Georgia O'keeffe:-

So glad to hear you are home. I look forward to hearing about your trip. Unfortunately I have so much to do between now and Friday or Saturday when I take off for the Yosemite that I will not be able to bring up the balance of the prints and the negatives. There were a few duplicates in the lot which I did not print. The first lot of seventeen subjects, I trust reached you satisfactorily last January. The balance of 24 more subjects, two prints each, and all the negatives I am sending to you by insured mail to-day.

I shall be home again about July 1st and hope to see you shortly thereafter. I hope all goes well with you and that you are in good health and at work once more.

My very best wishes as always,

Cordially
