Dear Margaret:-

Have been trying to get a note off to you for several days. Am at work on your prints and should have them ready in a few days more. Would you like me to make you a spiral bound folio of the prints with a cover and the proper label on it?

THE WILD BIRDS
RESIDENCE OF
MARGARET WENTWORTH
AND
NATHANIEL ALEXANDER
OWINGS.

There is a girl here who does very nice lettering or would you rather do it yourself?

I will not mount anything until I hear from you as I would want to have the mounts punched for binding before I mount the prints. I am wondering when you will be headed this way. Earnst VonHelms and Lawrence Lunt are also going to Havasupai, next week, I believe.

Best greetings
