Mr. Frederic M. Rea,
274 Brannon St.,
San Francisco, Calif.

Dear Mr. Rea:-

In March I send you a set of
photographs of New Mexico patios etc. for
your selection in connection with the
ORTHO GARDEN BOOK. You wrote me on March 16
acknowledging receipt of the prints and that
I would hear from you shortly. To date I
have heard nothing further from you, nor
have I received any returned prints. Will
you kindly let me know how the matter stands.
