Mr. Eugene A. Schnell,
U.S.I. A.
Washington, D.C.

Dear Mr. Schnell:-

Having been out of town for several days, I have been delayed in answering your request about the "American Spirit" Exhibit.

I would be willing to have certain ones reproduced, but will have to withhold the NAVAHO subjects as I am just completing a book in which these will be used.

I am not sure from your description which exhibit of Nancy Newhall's you are referring. I sent material to two. In any event please refuse any reproduction rights for any material of mine on the Navaho.

Very truly yours,
