Dear Jo:-

Your letter and the returned transparencies came  
in yesterday's mail. I have checked everything over.  
To place a white. I notice that you have returned the Lucy Lewis transparency.  
To misc exp. releases etc. This is the one you O.K.'ed on a small 8x10 print. I  
had the transparency made by a laboratory from the  
original 4x5 color negative. I felt the transparency  
was too light in value. Is this the reason for returning  
this? Maria Martinez gave me on the list for San Ildefonso, a detail of the  
Pueblo and the kiva and a figure. This you have  
also returned. Thank as per your last letter. If you  
have decided to leave out altogether this one and Lucy  
Lewis, I would be kind as to return to me the  
releases from Lucy and Rose Gonzales. I can probably use  
them somewhere some time.

I enclose a new bill for everything except either  
of the above, should there have been any misunderstanding  
on these.

With best wishes for a happy Thanksgiving,

Very sincerely yours,
