Miss Marianne Wentworth,
HOUSE BEAUTIFUL MAGAZINE,
572 Madison Ave.,
New York 22, N.Y.

Dear Miss Wentworth:-

The copy of the magazine came a day or two ago. I am most interested in your "awareness" series. It is most stimulating and offers wonderful imaginative possibilities. I have a few things to send you that might possibly fit in to such a series and I shall make prints to send you this week. And as soon as I can clear the deck I want to do some still life things to submit. I love this sort of work and have had little opportunity to work in color in this vein. I was particularly happy to see the nice drawings of Margaret Owings and also the series on doorways. That is a wonderful SR visual quiz. I hope you do more of them. I shall send you four color prints, architectural subjects, just for your inspection. There is so much that can be done in this line either in transparency or print.

This is simply to let you know that I am preparing work to send in to you before the 24th when Miss Gordon leaves for Japan, lucky Miss Gordon.

So glad you like the pictures of the children, they were fun to do.

Cordially yours,
