Dear Mrs. Gilpin:

It is quite imperative that a special meeting be called of the Board of Trustees in order to review certain matters which are important to the Society, with particular reference to the Scholarship Award, the Socorro Fair Medal, and the Amateur Archaeologist's Certificate. It is also necessary that the president appoint three new trustees. In the latter case, I would much prefer that the Board review this problem and I would appreciate your attending the special meeting with recommendations for the new trustees.

I have set the date of Saturday, February 14, for the trustee meeting to be held beginning at 2:00 P. M. in the Laboratory of Anthropology. Your acknowledgment of attendance would be appreciated.

Very truly yours,

W. J. KELLER
President

New Mexico Archaeological Society
