Dear Miss Gilpin:

You have been most kind and helpful to us and I am most appreciative.

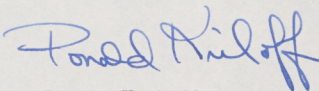

In the future some of our editors will be looking for a photographer, and I hope that something workable can then be arranged whereby we can make use of your services.

We are going ahead with this project but have chosen another photographer whom we find meets our specifications for the particular job.

I shall keep your name in a prominent place in my file and hope that we can work together in the future.

Thank you again for being so very helpful. I am returning your samples this evening.

Sincerely,

Donald Kriloff
