Dear Miss Gilpin:

As yet I have had no word from you regarding the photo of the TRUE & FALSE EXHIBIT, about which I talked with you on the phone around the middle of last month.

Although I have informed you throughout that we were in no particular hurry for the work it has now developed that we need it for publication in the "Amerindian". It will be necessary to put the photograph and copy for the story in their hands next week. We would therefore hope to hear from you by return mail as to possibilities of receiving a print from you for this purpose.

Sincerely yours,

Frank W. Long
