Dear Miss Gilpin:

Several members of the Department of Anthropology and the College of Fine Arts, at the University of Arizona, with the aid of a Rockefeller grant, are planning a conference on Directions in Indian Art, with emphasis on "Arizona's Position on Southwest Indian Art Education." The Conference will be held in Tucson on the evening of March 20th and for the entire day and evening of the 21st. Your expenses will be paid.

A number of speakers have been committed to discuss topics pertinent to the above title. For each subject there are to be several discussants. Paper and discussion have been allotted a total of one-half hour, approximately fifteen minutes for each.

You have been suggested as a discussant. We would like to have you and one other person comment on a paper by Dr. Bertha P. Dutton on "Acquisition and Preservation of Indian Art." It is our plan to send you a copy of Dr. Dutton's paper several weeks before the Conference so that you may have time to organize your comments.

We trust that you will be able to join us for this Conference. Would you please let us know by return mail whether you can or cannot come.

Sincerely yours,

*Clara Lee Tanner*
