Dear Laura,

Sorry, sorry, sorry. Naturally, that release form applies only to the ones you have been commissioned to take especially for us. Of course, all the pictures from your file are your property and will be returned to you.

We will not send any more forms, and ignore the one you have--then when the whole job is complete, we will make up a blanket form covering the two separate categories and save everyone a lot of headaches.

Proceed with everything and sorry about the momentary mixup.

Very sincerely yours,

Jos. Trautwein
