Dear Laura:

Enclosed please find the following photos which we have decided not to use or are duplicates, etc.

1. Lucy Lewis
2. #14 - Navaho transportation old and new
3. #5 - Navaho and Rio Grande blankets
4. #9 - Indian service Mobile X-ray unit
5. #1 - Window Rock, Arizona
6. San Ildefonso Pueblo (woman with melons)
7. San Ildefonso Pueblo (woman walking)
8. San Ildefonso Pueblo (Rose Gonzales sorting pinons)

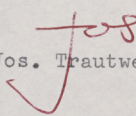

Also enclosed please find your last bill, to which I have added all pictures we are using from all the ones I have been holding. Would you kindly send me another bill incorporating all the items listed thereon.

I am holding for awhile longer, if I may, one alternate picture of Maria putting slip on a piece of pottery.

I, too, sincerely hope we will be able to work together in the future. While it will likely be some time before you hear from us on this book again (proofs, finished books, etc.) you can never tell but what we might need some further assistance yet.

There are other projects, too, and if any of them hold any possibilities for you I will certainly let you know.

Kindest regards,

Jos. Trautwein
