Dear Miss Gilpin:

While I was on vacation a couple of weeks ago I asked that your pictures be returned to you. I do hope they all arrived safely and in good condition.

eligible
Miss Gordon saw them just before she left for the Orient and our Art Director saw them. Some of them are very much what Miss Gordon has in mind for her next "awareness" issue. She will certainly want to see any other pictures which you do on awareness of nature and "objects" - similar to our January 1959 issue.

We will be planning our January 1960 ^{*}color pages in mid-September and black and white soon after that so do let us see your spring and summer shooting.

With kindest regards,

Marianne Wentworth

P.S.
I have since learned that January 60 may be on another subject - so the timing is uncertain - I returned your pictures so they won't get lost here. We may want some back.
