Dear Laura,

The prints returned from the Boston Arts Festival Exhibit were somewhat damaged. As I served as "agent" and gathered the pictures for this exhibit, I felt responsible for any damage incurred. I was able to get insurance on the damaged prints, and am pleased to send you herewith, at long last, my check for \$50.00 to cover two damaged mounts.

Thank you for your patience. The prints will be sent to you as soon as they are released.

Cordially,

ANSEL ADAMS
