Dear Miss Gilpin:

I am returning to you your five transparencies which you were kind enough to let us see on approval. We find that we won't be needing them after all but wish to thank you for allowing us the pleasure of looking at them.

We on the staff of the Indian book are all quite excited about your other material. Peter Rosenwald brought down the color material you shot from the old Indian sketch books and they are quite grand.

Thanks again for letting us see this material.

Sincerely,

Jane M. Consolino
