Dear Laura:

Hooray! The Navajo show is finally up and finished with the exception of a few long labels I am still trying to write! We hope to have some publicity in the near future, and I will see that you get a copy or two of the paper. Personally, I think the show is a little crowded, but it seems to be well received and lots of visitors already.

I do not know if Mr. Sickman has written you again, but to the best of my knowledge, we are all planning on your being here in October. If he is still being vague with you, I will try to get him to be a little clear in the middle of August when we are both back from our vacations.

Am trying to find a copy of "River of Destiny" which seems to be scarce. Do you happen to know where I can pick up one?

We are looking forward to seeing you in October. Hope all is well in Santa Fe.

With warmest regards,

G. F. Crabtree, Jr.
