Dear Laura:

I am happy to hear that all is now official and you will be with us in October.

Could you please confirm the official title of your lecture? Also do you have a portrait of your self which we may use for publicity, and what about other publicity material? May we, or should we, use any of the photos in the show for publicity?

This is a bunch of questions, but we hope to stir up a fair sized audience for your talk.

We are all looking forward to your visit and the lecture.

With best regards,

G. F. Crabtree, Jr.
Asst. Curator of Native Arts
