Mr. William Friedman,
Museum of International Folk Art,
Santa Fe, New Mexico.

Dear Bill:-

There seems to have been no opportunity to thank you for the able assistance of the Museum for my Navaho projection. Bill Wilder gave a flawless performance for which I am most deeply grateful. I have shown the slides many places and under many circumstances so that the cooperation of Friday night is something I am happy to remember. I was greatly touched by the reception of the slides and I am very glad if they were a contribution to the conference.

Most sincerely
