

Sept.10

Dear Mrs. Schollenberger:-

For some time I have been meaning to write to you to thank you for my prints safely returned. I hope the exhibit was satisfactory.

You will recall my inability to meet a date with you to show my Navaho slides five years ago! Mercy how can time go by so quickly. I am showing the slides in Kansas City at the Nelson gallery on October 8th. There is a Navaho jewelry show on there right now and they are using 35 of my Navaho prints. I go on to do my talk etc. on Oct. 8th.

I wonder if you would want me to stop over for the same thing either before or after this date? I am also showing them here on Sept.16th at the Museum conference. Any chance that you will be coming out?

I seem to be in a constant press for time to get anything done anymore. I suppose the answer is that too much is required to be done all the time.

I see Tommy Dickerson every now and then. It is hard to believe that he was the little boy ~~in~~ I knew when I was in Wichita.

I hope this finds you well and the same vigorous person I always think of.

Most sincerely

MAUDE G. SCHOLLENBERGER
