Dear Mrs. Schollenberger

Here is a print of
yours truly. The title of my talk is usually
given as THE ENDURING NAVAHO, the same title as
my book-to-be.

Also I enclose a carbon copy of info. I sent
to Frank Crabtree in Kansas City.

I have a portfolio of prints (36) already and
will sedn them off ahead to you to-morrow.

Miss Bieber & I will try to stop to see you on our
way through Wichita on the 6th.

Excuse haste but want to get this off
