Miss Laura Gilpin,
Sante Fe, New Mexico.

Dear Miss Gilpin:

Thank you for your letter. It was good to hear you are so busy and will soon be in our neighborhood. If I understand your letter you are to be in Kansas City the 7th-Radio, the 8th for talk and slides and that you have 35 of your prints there now. We have about filled up our program until after the Holidays and then are crazy with the Graphic Arts and Decorative Arts exhibitions, but if you could come and talk to us and show your slides the 9th---Sunday evening---it would be wonderful and if you have the 35 prints free at that time we might be able to show them. If you can come with the slides. Do you have your own projector or do we furnish it and how much will it cost. That's most important to us right now but we do want you.

What about the Museum Conference and is it next week.

We don't seem to know about it.

Every one going on high. Why do we have to rush so? I have the same trouble you mention of not getting everything done. I imagine age may have something to do with it. With love and hopes. As ever,

Yours very sincerely,

M. G. S.
