Dear Miss Gilpin:

The Indian show looks really quite stunning and is
is helped enormously, if not actually put across, by your
superb photographs.

This is a note to see if we could make our engagement
definite for October. As I wrote you earlier, we would like
very much to have you talk at the Gallery and if the date of
October eighth -- that is a Saturday afternoon -- is satis-
factory with you may we then put that on our calendar. The
Gallery's customary stipend is \$150.00 and expenses, however
if this is not agreeable with you please do let us know.

It would really be perfect if Biba could come with
you as we would like nothing so much as to welcome you both
here.

Sincerely yours,

Laurence Sickman
Director

P.S. I am enclosing some recent publicity on the current show.
