Dear Miss Gilpin:

You may remember coming up to our place at Santa Cruz some years ago and taking some photographs of Mrs. Anderson and myself. I had the great tragedy of losing Mrs. Anderson in August. Several of her friends have asked my daughter for photographs and I am wondering if you could send me proofs of the pictures which you took at that time of Mrs. Anderson so that I can pick out the one my daughter would prefer to use in response to these requests.

I would also like one finished print for my daughter of the picture you took of Mrs. Anderson and myself, with Mrs. Anderson doing some work at her easel while I was standing behind her. This I would like as a finished print of the size you furnished before, if you can tell from your records just what it was that we received.

Yours sincerely,

Miss Laura Gilpin
