Dear Miss Gilpin,

Two years ago St. John's
Cathedral, 1313 Clarkson Street,
Denver, was able to establish
and equip a lovely library.
This came about through a
memorial gift from the family
of Daniel Millett. Mr. Millett's
son and daughter (Mrs. Karl

Arndt) are devoting themselves to the selection of fine religious books for circulation. They are anxious, also, to assemble all the mass of historical materials pertaining to early and later growth of the Cathedral.

We have been in touch
with Mr. Frank Denton of
Colorado Springs who printed
the beautiful brochure of

126. Martin's Chapel. You will
remember that you did
the photographs and probably
worked with Miss Marian Hendrie
on the format. We are con-
sidering a re-print, for
the Chapel is the center of much
of the devotional life of many
of our members.

But, also, we are trying
to have in the library a
depository of pictures and

documents, and letters. I am
wondering whether you have
in your files more pictures
than those used in the
brochure, and, if so, whether
we should or could have
copies. Do you mind
dropping me a note about
this?

With best wishes to you

I am
Very sincerely,
Mary A. Boque.
