Dear Miss Gilpin:

Thank you very much for your letter.

We apologize for the delay in answering your letter. The delay was due to our vacation schedule.

We are pleased to report that the 105mm F3.5 Luminant has been shipped to you, and we trust you have received the lens by now. The 135mm F4.5 Actinar lens and the $2\frac{1}{4}$ x $3\frac{1}{4}$ automatic stop Rollifilm Magazine together with an adapter for the 105mm lens have just been sent to you. You will receive these items within the next few days.

We acknowledge receipt of your 180mm lens. An exchange invoice will follow shortly.

We can make an allowance of \$10.00 on the trade-in of your Multiscope. The adaptation and machine work on your Steinheil lens will cost \$15.90. Please let us know whether you would like us to go ahead with this job.

It will indeed be a pleasure to serve you again.

Yours very truly,
SEYMOUR'S
