Dear Edna Bennett:-

Please excuse my long delay in answering your letter. I have recently returned from an assignment in Yucatan for one of our Museums here and have been up to my usual neck in getting work finished. By all means you may use the article on Landscape work. It is, I trust still good. As to the two prints you mention, do you have prints of these? I had forgotten I had ever send out the Cottonwood in bloom. And at the moment I do not know where the list of prints you have of mine is. May be we had better revise the material of mine you have. I dont seem to do the popular type of work.

As to the PICTURES AND WHERE TO FIND THEM, I would be glad to be included. I enclose the questionair filled out as much as possible.

Many thanks, and good luck.

Sincerely
