

July 13, 1961

Mr. Charles R. Rice,
Albuquerque, New Mexico.

Dear Mr. Rice:-

At one thirty to-day, July 13, 1961
I was served a summons by the Sheriff as per enclosed paper.

Following your instructions of January 13, 1961
I send these papers on to you. I was at home
and received the summons from the Sheriff in person.

I shall await further word from you as to what
if anything you wish me to do. The charge of
negligence is ridiculous, of course, as I had
three witnesses who testified to your representative
here in Santa Fe, that I had been driving in the
inside lane for some six miles or more before
the accident to Mr. Goodson's car. Once more, I
repeat that there was no collision whatsoever.

Very truly yours,
