Dear Laura:

Just a brief note before I leave this morning with a Los Angeles friend for a day in Taos. A lovely day it is too.

I hear that you are having trouble finding a suitable dark-room. In this same mail I am sending a letter to a friend, Bill Andrews, who has been excavating there for six or seven years and may be able to suggest something. At least I hope so. I have given him your name and address and his is:

Mr. Bill Andrews,
Villa Esmeralda,
Calla 18, No. 200 San Cosme,
Merida,
etc.

We had our meeting of the IAF, which was well attended. I did my best but we missed you. I shall not go into details for Bieber is writing and will no doubt tell you all, at least the part she is going to be involved in. We are saving some things for your return.

With my very best wishes for a successful trip in every way,

Affectionately
Ene Hodge
