Dear Miss Gilpin:

This is to acknowledge and thank you for your letter of May 3rd. We are happy to hear that the recent enlargement that we made for you of the 'Procession' came up to your full expectations.

Your original small negative would not hold together for such an extreme enlargement; consequently, we used the thinnest of your (2) 8x10 copy negatives.

The reason you have not received the charges on the... Prepaid Express, is that we have to wait about 30-days to receive our invoice from Railway Express. However, we have just phoned them and the charges for the Prepaid Express is enclosed, herewith.

It was a pleasure working with you...again.

Very truly yours,
