Dear Miss Gilpin,

Thank you for your friendly letter of September 28. I am delighted to know that you are about to publish a book on the Navaho and that the ceremonial pictures are to be included. Perhaps your publisher might be persuaded to send me an announcement.

As to my own opus, I doubt that I shall have it ready within the next four years, to judge from the present rate of "progress".

I was pleased to see your photograph in the October issue of the New Mexico Magazine.

With best wishes,

Sincerely,

*Saul Jarcho*
