Santa Fe New Mexico.

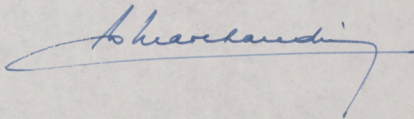

Dear Mrs Gilpin,

I have just found a reference to
your two books "The Pueblos" and "The Rio Grande".

I am studying the American Indians and I would
be very interested in good photographs and descriptions of
the pueblos. Can I find that in your books ? If not, would
you have such photographs for sale and what are the prices ?

I would appreciate very much to hear from you.

Yours very sincerely,
