Dear Miss Gilpin,

Your cousin, Laura Gilpin
and I talked so much, on our
journey to California, of the pleasure
of our visit to you last month. It
was so enlivening.

I am making bold to ask
you if it would be possible to
purchase one of your photographs,
Particularly, I'd be interested in
the Navaho Family or if that
is not available in one of two
Navahos on horseback, conversing.
Would you be good enough to tell
me, also what size the prints are
and the price.

I look forward to your forth-
coming book and trust you have
found a satisfactory publisher.
With kind regards.

Sincerely,

Virginia C. Merritt
