Dear Miss Gilpin:

This is to confirm our telephone conversation of today in which I asked you to provide five color 4x5 transparencies showing the tasteful use of various kinds of Indian pottery as part of the decor of home furnishings.

I will leave to your good taste the choice of the arrangements and the particular types of pottery used.

A copy of our 1960 issue of INDIAN LIFE showing the use of the same technique on a Navajo rug story is enclosed.

I hope to be in Santa Fe within a couple weeks and I will call you at that time.

Cordially,

Edward S. Merry
