Dear Miss Gilpin:

In connection with a revision presently under way of "Art in the Western World," the textbook of the history of art published by Harper & Brothers, I am anxious to obtain a photograph of the Church of San Estevan at Acoma in New Mexico. The one you made which was published by George Kubler as Figure 88 in his book on the New Mexico missions is one that both Mr. Kubler and I feel is much the best that can be had. Could you by any chance provide me with a copy of this photograph, suitable for reproduction? The usual acknowledgments will of course be made.

The bill may be sent with the photograph to the address given above.

With my thanks in advance for your courtesy in this matter, I am

Yours sincerely,

David M. Robb
