Dear Miss Gilpin,

I was very glad to hear from you. Excuse me if I have not answered sooner. I was waiting for the photographs. But the parcel you announced is not yet arrived. I hope it is not lost ?

It is possible the edition will be in english and french altogether. It will be the best. But the publisher only can decide. I don't know if the Guilde du Livre has some arrangement with the Graphic Press. I'll ask for when I write (soon if I receive your parcel.).

A French literary magazine, L'ARC, whose I am a contributor would like to publish a subject ~~from~~ of me about the American Indians. Should you give me permission to illustrate it with one of your photographs ? I think it will be a good manner to attract the publisher.

I heard about a TV work, the last weeks, on the D-H? Lawrence's ranch. I hope it has been the less disrespectfull as possible...

My best wishes for Xmas and the New Year.

Most attentively yours

I think my English is beautifully bad!

Chère amie,

Je reçois à l'instant la réponse de l'éditeur de la Gilde du Livre. Il désirerait voir quelques photos de Laura Gilpin concernant les Indiens. Pouvez-vous lui demander de m'en envoyer une dizaine ? Je les lui retournerai bien entendu dès que l'éditeur m'aura fixé. Je pense que ce sera très important pour Laura Gilpin. Merci.

amicalement
