Dear Laura:

I have your letter of August 21 requesting us to reimburse you for repairs to your cameras following the expedition to Yucatan.

Our accountants invariably ask to see the supporting data before the payment of invoices so it would be much better if you will send us copies of the bills rendered to you and paid by you. However, if they have not been paid please send them to us noted "approved" and we shall be happy to pay them direct.

Best regards,

Parker Wilson
Treasurer
