1123 NORTH CASCADE AVENUE

COLORADO SPRINGS, COLO.

Dear Laura

We are all delighted that August 14 - & the talk on the 17th are alright for you - Let's leave it to the "Navajo" - Fred Bartlett thinks it might be the best - & so - you have it all set - F. B. asks if you would be able to send us some publicity - we hunted my magazine story of you, last year, but can't find it & any remarks about what the Navajo talk is - An announcement will be in the Art Center Column - title of talk - "The Navajo today" - We didn't know if that was right

but its a stretchable title.

I hope you will really be
able to stay a bit afterward with
me - at least ten days - Edie ^{Jackson} wants
a garden of the Gods Club party on
the 18th - & so many friends want
to see you.

I'm again living in my barn,
after two weeks in the mountains -
Aspen & Buena Vista - I get into
my own house on August first -

My best to Betty - and
looking forward to our visit -

With love from
Agnes -
