Dear Miss Gilpin:

Thank you for your letter of July 2, specifying the credit line you and Miss White would like used for the buffalo robe. Our book is called Living World History (2nd edition) and is written by T. Walter Wallbank and Arnold Schrier. It is a high school text scheduled for publication in 1963.

By the way, in one of my letters to Miss Toulouse, I wrote that I presumed we have Miss White's permission to reproduce the photograph. Would you please let me know--or ask her to so indicate--if we do not?

Sincerely yours,

Paula Angle

P.S. When my uncle was here recently, I mentioned that you were taking a photograph for us, and he spoke very highly of your work.
