Santa Fe, New Mexico

Dear Miss Gilpin:

We are organizing, in cooperation with the Amon Carter Museum of Western Art in Fort Worth, an exhibition of paintings. You will find enclosed a list of the artists under consideration. A catalog is also being prepared for this exhibition and we would like it to contain some informal photographs of the artists at work. I understand that you have made some very fine pictures of this nature and we would appreciate it very much if you would let us see some of these possibly publish a selection of them.

I have also been asked to organize a show of creative photographs for the new Phoenix Art Museum. Have you photographed the Arizona Indians as well as those of New Mexico? If you are interested and have some materials I would like very much to include about twenty of your photographs in this Arizona Show. This show is part of the celebration of Arizona's Statehood, fifty years ago.

I hope that I will soon be able to meet you personally now that I am connected with the University of New Mexico.

Sincerely,

Van Deren Coke, Director
