Dear Miss Gilpin.

We send our best to you
and Miss Forster. I believe
a copy of John's book has
gone to you by now.

This letter is to ask you:

Would you kindly send
us the regular mailing address
of Miss Carol Preston? We
wish to correspond with
her on certain matters, and
also to become aware of just
what is the school she
heads up, and her position
in it. (I fear we forgot to
question her on these details
when she was here.)

I am so proud of my
husband's book and hope
the reproduction of your

photographs has proved
satisfactory to you.

Enclosed is an envelope
to us for your convenience.

as ever sincerely,

Grace Collier

P. S. You remember the painting
called "The Lone Antelope"
by Jose Aguilar of San
Ildefonso which Miss Preston
admired so much? Do you
know the present address
of Jose Aguilar? I would
so like to write him about
my own love for his painting
which is now in our possession
