Dear Miss Gilpin:

I'm interested in the color photograph of the Colcha which appeared on the back cover of the December issue of the New Mexico Magazine.

Mr. George Fitzpatrick, Editor of the New Mexico Magazine told me that the transparency has been returned to you.

Mr. Dudley Dowell, Executive Vice President of the New York Life Insurance Company is interested in obtaining a print of this picture. Naturally, he would be pleased to pay for the use of this picture provided the charges are nominal. Mr. Dowell would like to use this full picture on his 1962 Christmas cards. I noted that Governor Mecham used the top half of this picture for his 1961 Christmas cards.

I would greatly appreciate your permission to use this transparency and I'll guarantee its return to you.

Thanks for an early reply, as I plan to go to New York next week-end to see Mr. Dowell.

Sincerely,

General Manager
