Dear Laura:

The photograph of Laguna is included. I hope you will find it of some interest. At the last minute, after already mailing the letter on Thursday, I realized that E. Boyd will be in Kansas City next week, and she has not yet seen these slides, (Laguna) so I am holding them out until after she leaves.

Also enclosed is the return postage for the slides, which I also forgot. Under separate cover I am sending you two volumes which were produced in Japan for the Asia House. The cost, as I recall, complete but not including delivery, was about \$1.25 each for 3,500 copies. I must say, it's hard to beat gravure. The copies are a bit beat up, due to bad packing from New York, but consider them a small present from the Nelson Gallery.

Thanks again for everything, and I will await your opinions. With best regards,

Sincerely,

G. F. Crabtree, Jr.,
