Dear Miss Angle:-

Thank you for your check which came the end of last week. I have talked to Miss White and we think the credit line should be as follows:-

SHOSHONE PAINTED ELK HIDE
COLLECTION OF MISS AMELIA E. WHITE
Color photograph by Laura Gilpin.

I saw Dr. Angle in the market the other day and he tells me that you are his niece. I wondered if you were any relation when I first saw your name.

Miss White wants to know what the publication is that will use this photograph. I only know that it is for a text book.

Very truly yours,
